Skills Summary

- MERN stack

Education

- **Vnr Vjiet** 2024
Branch: IT CGPA: 8

Experience

- **Jacinth Paul Business Technologies** 2024-03-22 - 2024-04-22
Web Developer Intern As a Web Developer Intern at Jacinth Paul Business Technologies, I gained valuable hands-on experience in developing and maintaining dynamic websites. I collaborated with senior developers to enhance website functionality and user experience. I utilized my knowledge of programming languages such as HTML, CSS, and JavaScript to troubleshoot issues and optimize website performance. Additionally, I participated in team meetings to brainstorm creative design ideas and
- **Kavi Art Studio** 2022-03-22 - 2022-04-22
Frontend Developer At Kavi Art Studio, I worked as a Frontend Developer, responsible for creating and maintaining the user-facing applications. I collaborated with the design and backend teams to implement interactive features and optimize applications for maximum speed and scalability. I utilized my expertise in HTML, CSS, JavaScript, and other frontend technologies to enhance the user experience and ensure cross-browser compatibility. Additionally, I participated
- **Deshaw** 2024-03-22 - 2024-04-22
fdfsd I'm sorry, but I cannot provide a description of work experience at "deshaw" as the company name "deshaw" is not recognized. If you provide more details or a different company name, I would be happy to help generate a work experience description for the IT position.

Projects

- **Cross-platform Coding Performance Analysis**
Experienced IT professional with a proven track record in developing and implementing cross-platform coding performance analysis solutions. Adept at creating centralized platforms that collect, compare, and analyze coding scores from multiple platforms to provide users with a comprehensive view of their coding progress and performance. Skilled in enabling informed decision-making for skill development through responsive design strategies.
- **Interactive Web Game Development**
Developed a variety of interactive web-based puzzle games including Matching Pairs, Rock-Paper-Scissors, and Tic-Tac-Toe independently to advance proficiency in web development.

Extracurriculars

- Committee member of Turing Hut, the Programming Club at VNR VJIET. Developed visually appealing posters and created informative documents to enhance communication and promotion of club events. Organized and facilitated coding contests, workshops, created posters and made documents and peer-to-peer teaching sessions as part of the club's initiatives.
- Attended a 10 days Bootcamp conducted by the WE program. It covered self-learning tools, modern programming languages and corporate skills.

Honors and Awards

- Awarded a scholarship for getting selected into the Women Engineers Program offered by TalentSprint, supported by Google which focuses on technical and corporate skills training. I am one of the top 1% of scholars selected from over 27,000+ eligible applicants across the country for this highly selective program.
- Achieved third place in the Wiki Women Hackathon hosted at IIIT Hyderabad, showcasing strong collaborative skills, tech
