Skills Summary

- Machine Learning

Education

- **Vnr Vjiet**   2024
  Branch: IT CGPA: 7.8

Experience

- **Jacinth Paul Business Technologies**   2024-03-22 - 2024-04-22
  Web Developer Intern As a Web Developer Intern at Jacinth Paul Business Technologies, I honed my skills in front-end and back-end development by contributing to various web projects. I collaborated with senior developers to enhance website functionality and user experience, while also troubleshooting and debugging code to ensure optimal performance. Additionally, I gained hands-on experience with HTML, CSS, JavaScript, and other programming languages, further

- **Kavi Art Studio**   2022-03-22 - 2022-04-22
  Frontend Developer At Kavi Art Studio, I contributed as a Frontend Developer, responsible for designing and implementing user interfaces for the studio's web projects. I collaborated with the design team to create visually appealing and user-friendly websites, ensuring seamless navigation and optimal performance. My role involved using HTML, CSS, and JavaScript to bring designs to life while adhering to best practices and ensuring cross-browser

- **Deshaw**   2024-03-22 - 2024-04-22
  fdfsd Experienced IT professional with a successful track record in fdfsd at DE Shaw. Proficient in various technologies and systems, adept at troubleshooting and problem-solving. Strong communication skills and ability to work effectively in a team environment. Proven ability to deliver high-quality results under pressure and meet tight deadlines. Passionate about staying updated with the latest industry trends and technologies.

Projects

- **Interactive Web Game Development**
  Experienced in independently developing interactive web-based puzzle games such as Matching Pairs, Rock-Paper-Scissors, and Tic-Tac-Toe to enhance web development skills.

- **Cross-platform Coding Performance Analysis**
  Experienced IT professional with a strong background in cross-platform coding performance analysis. Developed a centralized platform to collect, compare, and analyze scores from different coding platforms, providing users with a unified view of their coding progress and performance across various topics. Skilled in creating responsive designs and enabling informed decision-making for skill development.

Extracurriculars

- Committee member of Turing Hut, the Programming Club at VNR VJIET. Developed visually appealing posters and created informative documents to enhance communication and promotion of club events. Organized and facilitated coding contests, workshops, created posters and made documents and peer-to-peer teaching sessions as part of the club's initiatives.

- Attended a 10 days Bootcamp conducted by the WE program. It covered self-learning tools, modern programming languages and corporate skills.
